Why Sponsor?

Sponsoring the Clays and CPAs fundraiser is an excellent opportunity to support the CPA profession while gaining valuable visibility and networking with industry leaders. As a sponsor, you'll not only be contributing to the PAC's efforts to advocate for policies that benefit CPAs and the business community, but you'll also showcase your commitment to the CPA profession here in Georgia. This event provides a unique, relaxed setting to connect with potential clients, build relationships, and demonstrate your company's dedication to the future of accounting. Join us in making a positive impact while enjoying a day of camaraderie and fun!

The Golden Clay Competition

The competition for The Golden Clay is a "competition within the competition" that provides the opportunity for firms and companies to compete for the ultimate prize — bragging rights as the top shooters! Winners will receive an award to display in their office for a year, as well as recognition in GSCPA publications. The winning team will also be able to bring an extra team the following year to help defend their title. Sponsors coming in at the Title, Sharpshooter, Thirst Quencher, Lunch Party and Ammo sponsor levels will be eligible to participate.
